

Wednesday Ladies League

Day: Wednesday Nights

5:30pm Shotgun start

League runs May 6th through August 26th.

Make-up nights due to weather will be determined on schedule and time of year.

League:

3-person team scramble league.

Teams can consist of ladies 18 plus+

Teams play another team each week in 9-hole match play.

League is handicapped.

Rules:

-Scramble Rules

-Team tees off from Red tees

-Players play from best shot and continue until hole is completed.

-Team may grant the other team "good" on finishing the hole.

-Count the putt and once the hole is conceded score is final.

-If team concedes the hole because they have no chance of winning or tying the hole mark down estimated score for the hole.

-Teams may get a club length from the spot of ball, no closer to the hole and cannot improve the lie, (ex. going from rough to fairway)

-6 inches on green from spot of ball also no closer to the hole.

-If team is missing a player and can't find a sub for the team. The team may use one extra shot per hole and can be used on any shot during that hole.

-Team must rotate who uses extra shot. Try and have whichever golfer's turn it is to use the extra shot go first so golfer isn't hitting back to back shots when using the extra shot.

Handicaps:

-Each team will receive a handicap and will be updated each week.

-Handicaps are calculated by teams last 7 weeks and will throw out highest and lowest scores and average the remaining.

-If teams haven't recorded enough weeks, handicaps will be averaged from the last three weeks until 7 weeks recorded.

-Handicaps won't be posted until team has recorded 3 weeks of scores

Scoring:

-Each match has a total of ten points. One point per hole (9 Holes) and one point for the team who wins the match. Team wins the match by having the most holes won. If both teams are tied, then each team is rewarded half a point. Total score does not matter in match.

-One full point to the team that wins the hole, half point to each team if the hole is halved.

Ex. Team 1 birdies hole 1 & Team 2 pars hole 1, Team 1 would be reward one point for the hole and team 2 does not receive a point for that hole. If team 1 & team 2 both par hole 1 then each team is rewarded half a point each for the hole.

Standings:

- Standings will be posted each week, based on points won from previous weeks.

Winner:

- Teams will be seeded at the end of regular season based on points won throughout the regular season.
- Teams will then compete in playoff tourney until one team remains.
- Each week teams will go head to head with another team in 9-hole match play.
- To win each week team must win the most holes. If the score is tied after 9 holes scorecard playoff will decide winner. Scorecard playoff is decided by which team won the hardest handicapped hole, if hole is tied go on to second hardest hole and continued until winner is determined. Handicaps are used in scorecard playoff.

Subs:

- If your team is short a player, teams are responsible to find their own sub.
- Subs **during the regular season** can be anyone.
- Subs **during playoffs** must have been on your team or have subbed during the season

League Dues:

-League fee - **\$90 per team.**

-Non-Members League rounds \$15 per league night.

-Pay in advance up front for League \$210. **-Must be paid before league starts.**

-Paying in advance can only be transferred to league events.

-If league is canceled due to weather or other course reasons, prepaid rounds will be honored.

Payout: 1st, 2nd, 5th, 10th -Subject to change depending on number of teams.

*Additional games will be run each week. These games are optional will cost each team \$15 to be in the games per week.

-Skins

-Proxies – longest putt, closest to hole etc.
